

CROSSBAR FOR LIGHTING STAND: SETUP INSTRUCTIONS

*Note: The crossbar is an optional accessory for our lighting stand.
This is needed only if mounting more than 1 light fixture to the stand.*

Step 1:

Place crossbar attachment on top of lighting stand. Tighten knobs to lock in place.

Step 3:

Repeat steps 2-4 from lighting stand setup instructions to attach two light fixtures.
**You should have only 2 wing nuts to hold each light fixture to the cross bar.*

YOU'RE DONE!
