

# BLISSLIGHT / STARRY NIGHT PROJECTOR

## SETUP INSTRUCTIONS

---

***\*\*Keep all packaging materials. Projector must be returned in same box / packaging.\*\****

**PLEASE HANDLE WITH CARE – EXTREMELY FRAGILE!**

### **WHERE TO PROJECT**

This lighting effect must be projected onto a white or very light colored surface.

### **HOW TO SETUP**

1. Use the power cord provided to plug the projector into any outlet.
2. Push button on back of unit to turn on the projector. Be sure not to look directly at the laser.
3. Turn the knob on the back of the unit to adjust the blue nebula / cloud effect as desired.
4. Twist the two knobs on each side of unit to the left to loosen slightly. This will allow you to tilt the projector. When you achieve the desired effect, twist the knobs to the right to lock into place.

### **WHERE TO SETUP**

Place the projector on a table. For best results, place projector high enough so that it will be above guests who could block the projector when passing by. Usually the best location is in a corner.

# RETURN INSTRUCTIONS

## PLACE PROJECTOR & COMPONENTS IN CASE

1. Place projector in the case. Take care to ensure the projector is fit properly into the mold using the following guidelines:
  - a. Bracket faces left
  - b. Lens faces left, toward bracket
  - c. Logo (“Blisslight”) facing up
  - d. Large knob facing right
  - e. Knobs fit in each cutout
2. Place power adapter in small rectangular mold. Cord can be folded up on top of power adapter.
3. Remove two colorful plastic zip ties located inside the case.

## PREP CASE FOR SHIPPING

1. Close case using the two buckles.
2. Remove the previous FedEx shipping label and tape from the outside of the box.
3. Affix the pre-paid return shipping label provided to the outside of the box.
  - a. Peel off the backing on the label and stick onto box.
  - b. Tape over top of label to secure it to box, using packaging tape. (FedEx can supply tape).
4. Place a zip tie in the hole on each side of the case. The flat edge of the zip tie should be facing you. See photo below. Thread the end of the tie into the hole, and pull until it is tight. You should not be able to pull the tie back out once it is secured.
5. Drop off package at any FedEx location (not drop box). Be sure to get a receipt.

**RETURN DATE:** Unless otherwise noted, rentals are due back at any FedEx location two days after your event date. If your return date falls on a Sunday or holiday, you can return the following day.

**MISPLACED RETURN SHIPPING LABEL:** Call 305-921-4099 and we will email return labels.
